

PROPID
User's Guide for PC

M. S. Selig

October 1994

Preface

The support of the Wind Technology Division of the National Renewable Energy Laboratory in preparing portions of this manual and software is gratefully acknowledged. Also, the author is particularly indebted to Jim Tangler, from the NREL Wind Technology Division, for his many helpful comments throughout the development of the design method.

This program together with the User's Guide is available from:
