

- *John E. Prussing Retirement Celebration**
- *Corporate Internship and Career Fair**
- *AE Computer Lab Improvements**

***John E. Prussing Retirement Celebration**
Friday, April 20, 2:30-3:30 pm, Room 220 Talbot Lab

All AE students are invited to a cake and punch reception to honor Prof. Prussing on his retirement.

***Corporate Internship and Career Fair**
Tuesday, April 17, 2007, 5:30-7:30, Enterprise Works, Atrium, 60 Hazelwood Drive, Champaign (free parking & MTD—23 Shuttle)

About 20 local companies will be holding a Corporate Internship & Career Fair. If you are looking for a summer internship or permanent position, plan to attend this event.

***AE Computer Lab Improvements**

The following improvements to the computer lab were completed during spring break.

- carpet shampooed
- entry way cleaned
- steps repaired
- bulletin board hung
- computer desks & screens cleaned
- rags and cleaning supplies have been placed in the cabinet in the computer lab for your use in the lab

The majority of the monitors will be replaced with flat panels. This summer there will be an addition of 15 new HP's, a few of the older ones will be replaced. The total number of PC's in the computer lab will be 25-26 by next Fall.

As you have constructive ideas or suggestions for the Aerospace Department, please place them in the comment box in the computer lab.
