- *Undergraduate Advisory Board now Accepting Applications**
- *ISS General Meeting, Wednesday, April 2, 2008**
- *AIAA General Meeting, Wednesday, April 9, 2008**
- *Research Park Career Fair, Tuesday, April 8, 2008**
- *AE Tutoring Sessions**

***Undergraduate Advisory Board now Accepting Applications** **Deadline: Friday, April 11, 2008**

The Aerospace Engineering Undergraduate Advisory Board consists of a representative from each class and a Chairperson. The committee meets generally once a month with the Head of the Department and the Chief Advisor to discuss concerns brought to their attention by the undergraduate student body and to advise on undergraduate matters. They also meet separately to discuss issues with students. The UAB strives toward continuous improvement of the department to serve the needs of undergraduate students. In addition, the UAB encourages involvement in student projects and initiates other projects to further improve students experience in the department. Past topics have included discussions over curriculum changes and enrollment retention, improving the computer lab, and increasing study abroad opportunities.

If you are interested in becoming a UAB representative for your class, please contact Barb Kirts at bkirts@uiuc.edu or stop by her office (329 Talbot) for an application

***Illinois Space Society April General Meeting** **Wednesday, April 2, 2008 at 8:00 p.m. in Room 106B8 Engineering Hall**

ISS Executive Board Elections will be held. Our speaker will be Prof. Brian Fields from the Astronomy Department speaking about dark matter. Free Food will be provided.

***AIAA General Meeting** **Wednesday, April 9, 2008 from 6-7:30 p.m. in Room 103 Talbot Lab.**

Rockwell Collins will be there presenting on Automatic Flight Control System Development. Pizza will be available.

***Research Park Career Fair**

Tuesday, April 8, 2008, 5-7:30 p.m.

Enterprise Works Building in the Research Park, 60 Hazelwood Drive, Champaign

There will be 30 companies participating in this fair and they are looking summer and part-time semester interns as well as some full-time hires. The event will open with a brief program and then the career fair will follow. More information, including a list of the participating companies and available positions, is available at <http://www.engr.uiuc.edu/ecs/students/events.php>.

***AE Tutoring Sessions**

The AE tutoring sessions will begin on Monday, January 28, 2008. They will be held Monday through Thursday in Room 220 Talbot Lab from 4:30-7:00 pm. All AE students are welcome to attend. The tutors will help with ANY technical course.
