Welcome Back!

***Computer Resources Available to AE Students**

How to access files on AE Lab computers from home:

<http://www.ae.uiuc.edu/department/computing/netfiles.html>

How to hook up any computer to the AE lab printer?

May also be helpful if you are working on your laptop in the lab.

<http://www.ae.uiuc.edu/department/computing/printing.html>

***Academic Deadlines and Calendar Information**

Monday, January 21 – Martin Luther King, Jr. birthday, no classes

Monday, January 28 – Deadline to add an UG semester course

Friday, March 7 – Deadline to drop an UG semester course without grade of W;

 Deadline to remove an UG incomplete grade from Fall 2007 to prevent change to an F grade;

 Deadline for UG student to withdraw without grade of W

Monday, March 15-Friday, March 23 – Spring Break

Monday, March 31 – Priority registration for Fall and Summer 2008 begins

Friday, May 2-Friday, May 9 – Final examination period

***Summer Study Abroad at Reduced Rates**

Earn Gen Ed credit through study-abroad programs this summer. College of Engineering programs in Argentina, Chile, Discovery in France, Jordan, and Spain are still open to interested students. Program fees--average \$500-\$800 per program with reduced summer tuition--have been drastically reduced, and the College will help pay for students airfare. For application and information, students should go to www.studyabroad.uiuc.edu and search for Engineering sponsored programs. Questions? Contact the IPENG office, ipeng@uiuc.edu. See on-line brochure for details. <http://www.studyabroad.uiuc.edu>

***Space Career Fair**

Tuesday, April 10, 2008, Broadmoor Hotel, Colorado Spring, Colorado

As part of a mission to advance space-related endeavors to inspire, enable, and propel humanity, the Space Foundation is sponsoring a "Space Career Fair." The career fair will take place during the Space Foundation's flagship event, the 24th National Space Symposium, also held at The Broadmoor Hotel.

Our career fair is aimed at undergraduate and graduate students in the science, technology, engineering, mathematics, and business administration fields of study as well as transitioning military

www.SpaceCareerFair.org.

Further questions contact Tammy Brown at tammy@spacefoundation.org or 800-691-4000.
